Jim,

Rene, Kristine and I all made it to the train today. We didn't have much time to talk about the agenda as a group so we can bring up any issues for today when we see you at 1:00.

Deb,

Here's what I suggest as an agenda for our Thurs 2/26 EPA/DEQ Doane Lk mtg. The mtg should be small enough & informal enough to accommodate changes you all may want to make in the agenda.

RE: Doane Lake area meeting

Deb,

All of us at DEQ are available to meet with EPA Thurs afternoon 2/26 to discuss coordination in the Doane Lake area. We can start at 1:00 & run the mtg to mid- or late-afternoon..., you can decide which based on your travel plans. There weren't too many rooms available here at DEQ, but I reserved a small room that comfortably seats about 10 people. I anticipate the mtg participants will be DEQ (Jim A, Matt McC, Dave L, & Dana B) & EPA (Chip H, Eric B, Kristine K, Deb Y, & Sean S by phone).

We can call Sean. Did I miss anyone?

I suggest DEQ put together a draft agenda & desired mtg goals/outcomes..., & then run it by EPA before the mtg. If you agree, we'll get you something by COB Tues 2/24 or sooner if possible.

Jim

Hi Jim,

I think Kristine has talked with you about this meeting. We can meet the afternoon of the 26th, with Sean calling in by phone (he has another commitment in the morning in Seattle that day). Will this date/time work for you? Are you thinking of starting around 1:00 pm?

Deb
